Summary of On-going Schemes

Child Protection & Welfare Bureau, Punjab

The Child Protection & Welfare Bureau, Punjab is actively implementing infrastructure development schemes to strengthen institutional care, protection, and welfare services for vulnerable children across the province. These projects aim to expand the network of Child Protection Institutions and Units, improve existing facilities, and enhance overall service delivery capacity in key districts.

The basic purpose of these schemes is to enable the Child Protection & Welfare Bureau to function effectively all over Punjab by establishing and strengthening Child Protection Institutions and Units in various districts, thereby providing safe, secure, and well-equipped facilities for the protection, rehabilitation, and welfare of children in need of care and protection.
